Company Policy Regarding CPNI

Nushagak Cooperative has chosen not to use CPNI data that enables the company or its affiliates to market additional products or services. Accordingly, Nushagak Cooperative's personnel are trained not to use CPNI for such purposes. Because CPNI is not used for marketing purposes, Nushagak Cooperative has established the appropriate safeguards for this type of treatment (non-use) of CPNI data. These safeguards include documentation of this policy in this manual and training of Nushagak Cooperative personnel with regard to non-use of CPNI data.

In this effort, the Company must follow all applicable FCC rules as contained in Subpart U – Customer Proprietary Network Information – of Part 64 of Title 47 of the Code of Federal Regulations. Specific Nushagak Cooperative procedures are as follows:

ACCESS TO CPNI DATA

Access to CPNI data is limited to employees or entities with the requisite proper authorization as allowed by FCC rules. Any employees or entities with CPNI access must operate under policies that require nondisclosure of confidential information. Improper use or disclosure of CPNI by employees is subject to disciplinary action up to and including termination.

Marketing Programs

No Nushagak Cooperative marketing campaigns are related to CPNI. As a logical outcome of this policy, Nushagak Cooperative uses neither opt-in nor opt-out approval from customers with regard to any marketing.

Contact the CEO/General Manager if you are uncertain as to the type of information you can use in marketing services to customers.

CUSTOMER NOTICE AT INITIATION OF SERVICE

Customers are informed during the initiation of service with Nushagak Cooperative that their CPNI data is not used for marketing purposes. Customers receive annual reminders (Form 8-W or Form 8-WO) of this CPNI policy.

CUSTOMER NOTICE

Adequate notice with respect to customer CPNI rights and Nushagak Cooperative's duty to protect CPNI is provided in Nushagak Cooperative's telephone directory. In addition, a CPNI notice is printed periodically on the customer's billing statement.

RECORD OF CUSTOMER COMPLAINTS CONCERNING THE UNAUTHORIZED RELEASE OF CPNI

All customer complaints concerning the unauthorized release of CPNI will be logged (Form 9) and retained for a period of five years. This information is summarized and included with Nushagak Cooperative's annual certification to the FCC.

Release of Call Detail Information (Forms 7-W or 7-WO & 8-W or 8-WO)

CUSTOMER INITIATED TELEPHONE ACCOUNT ACCESS

Release of any CPNI information requested by the customer via a telephone call is prohibited except when:

- the requesting individual provides the password of record; or
- the information will be sent via mail USPS to the customer's address of record; or
- Nushagak Cooperative will call the telephone number of record and disclose the call detail information.

If the customer has forgotten their password or does not have a password established, Nushagak Cooperative can proceed with routine customer care procedures if the customer can provide all of the call detail information. Nushagak Cooperative will not disclose any call detail other than the information the customer disclosed during that particular contact.

RETAIL LOCATION ACCOUNT ACCESS

Customers or their authorized contacts as allowed by the Telecommunications Act of 1996 – Section 222(c)(2) must have a valid, government issued photo identification, such as a driver's license, passport, or comparable ID to obtain CPNI information.

ON-LINE ACCOUNT ACCESS

Nushagak Cooperative does not currently offer on-line account access.

NOTIFICATION OF ACCOUNT CHANGES

Nushagak Cooperative will notify (Form 5) any customer immediately of any account changes including password, customer response to company designed back-up means of authentication, on-line account, address of record, and any other record that may be created or changed. This notification will be through a voicemail or by USPS mail to the address of record as it was prior to the change.

New customers are exempt from this notification at service initiation.

PROCEDURES TO PROTECT AGAINST PRETEXTING

Pretexting is the practice of pretending to be a particular customer or other authorized person in order to obtain access to that customer's call detail or other private communications record. The Company has employed the above procedures and safeguards in order to achieve reasonable measures designed to discover and protect against pretexting.

Annual Certification

Nushagak Cooperative will certify annually (Form 2) compliance to the CPNI rules. This certification will be filed with the FCC and will be made publicly available by request.

Nushagak Cooperative's annual certification will be signed by an officer as an agent of Nushagak Cooperative, stating that he/she has personal knowledge the company has established operating procedures that are adequate to comply with the FCC CPNI rules.

In addition to the annual certification, Nushagak Cooperative will provide an accompanying statement explaining how the company's procedures ensure the company is or is not in compliance with the FCC's CPNI rules. In the explanation, Nushagak Cooperative will include:

- the training employees receive to protect CPNI.
- the disciplinary process applicable to improper disclosure of CPNI.
- other measures relevant to demonstrate compliance with the FCC's CPNI rules.

Notice of Unauthorized Disclosure of CPNI

Nushagak Cooperative is required by FCC rules to notify law enforcement of any CPNI breaches no later than seven (7) days after a reasonable determination of a breach has occurred. Nushagak Cooperative will send an electronic notification through the central reporting facility to the United States Secret Service (USSS) and the Federal Bureau of Investigation (FBI). This notification will include a description of the CPNI that was disclosed, how the breach was discovered, an analysis of the sensitivity of the breached CPNI, and any corrective measures taken to prevent recurrence of such breach.

Responsibility to notify USSS and FBI has been assigned to the CEO/General Manager.

NOTIFICATION OF CPNI SECURITY BREACHES

- (1) *Notification of law enforcement agencies* (Form 3). Nushagak Cooperative will notify law enforcement of a breach of its customers' CPNI as stated in this section of Nushagak Cooperative's CPNI manual. Nushagak Cooperative will not notify any of its customers or disclose the breach publicly, whether voluntarily or under state or local law or these rules, until it has completed the process of notifying law enforcement as required and spelled out below.

- a) Notwithstanding any state law to the contrary, Nushagak Cooperative shall not notify customers or disclose the breach to the public until 7 full business days have passed after notification to the USSS and the FBI except as in the following two parts of this section.
 - b) If Nushagak Cooperative believes that there is an extraordinarily urgent need to notify any class of affected customers sooner than otherwise allowed under the above paragraph of this section, in order to avoid immediate and irreparable harm, it shall so indicate in its notification and may proceed to immediately notify its affected customers only after consultation with the relevant investigating agency. Nushagak Cooperative shall cooperate with the relevant investigating agency's request to minimize any adverse effects of such customer notification.
 - c) If the relevant investigating agency determines that public disclosure or notice to customers would impede or compromise an ongoing or potential criminal investigation or national security, such agency may direct Nushagak Cooperative not to disclose or notify for an initial period of up to 30 days. Such period may be extended by the agency as reasonably necessary in the judgment of the agency. If such direction is given, the agency shall notify Nushagak Cooperative when it appears the public disclosure or notice to affected customers will no longer impede or compromise a criminal investigation or national security. The agency shall provide in writing its initial direction to Nushagak Cooperative, any subsequent extension, and any notification that notice will no longer impede or compromise a criminal investigation or national security and such writing shall be contemporaneously logged on the same reporting facility that contains records of notifications filed by carriers.
- (3) *Customer Notification* (Form 4). After Nushagak Cooperative has completed the process of notifying law enforcement as listed above, it shall notify its customers of a breach of those customers' CPNI.
- (4) *Recordkeeping*. Nushagak Cooperative will maintain a record, electronically or in some other manner, of any breaches discovered, notifications made to the USSS and the FBI as defined in the above section of this manual, and all notifications made to customers. This record must include, if available:

 - b) A detailed description of the CPNI that was the subject of the breach.
 - c) The circumstances of the breach.
 - d) Nushagak Cooperative will retain the record for a minimum of 2 years.
- (5) *Supersede*. This section does not supersede any statute, regulation, order, or interpretation in any State, except to the extent that such statute, regulation, order, or interpretation is

inconsistent with the provisions of this section, and then only to the extent of the inconsistency.
